Replication to Answer.

This replicant, The Commonwealth of Pennsylvania, saving and reserving to itself all and all manner of advantages of exception which may be had and taken to the manifold errors, uncertainties and insufficiencies of the answer of the defendant, The State of West Virginia, for replication thereunto saith that it doth and will aver, maintain, and prove its said bill to be true, certain, and sufficient in the law to be answered unto by the said defendant, and that the answer of the said defendant is uncertain, evasive, and insufficient in law
